"My name is Jana and I have a mission: to dance on the lake in the moonlight. It might seem ridiculous to you, but it is very, very, very important to me. I promised my sister Zya before she died that I would do it. It's going to be difficult though, because I think they're watching me. And on top of that, I have two left, and I'd have to study. Oh, sorry, I always tell things in the wrong order. But believe me: I saw her dance, at night, on the water. I mean floating, not sinking. Yes, I'll tell you about Zya. She told me everything. She was an artist."
