Genre: Children and Youth

SPRING

2021

Season: Year 2021

"Everyone says that my grandmother is very, very old, but we both know that deep down inside there's a child hiding." Is it possible to speak to our little ones about Alzheimer's in a way that's tender, sensitive and even fun? Alaine Agirre and Ainara Azpiazu bring us an emotional story about a grandmother and her grandson, about love and understanding beyond the codes established by adults.
