A wealthy woman decides to investigate the life of her only daughter, who ran away from home at a young age, apparently for romantic reasons. Detective Ricki Trullos is faced with a classic case of extortion and false appearances that don't make for a happy ending. Corrupt police, drugs lords and property speculators come together in this web of interests where everything points towards a victim: the young girl in the photo. Ricki Trullos must confront every inconvenience of his profession: thugs and powerful men who let no one bend the rules when in their territory, but he also finds solace in several beds, and an invaluable assistant for solving the case.
