SPRING
2011
Season: SPRING 2011

This anthology brings together complete stories by the best Spanish and Latin American authors. Every story has an introduction to the author and the plot for a better understanding of its historical and social context. The audio CD contains dramatized versions of each text, recorded with professional actors. You'll feel like you're truly immersed in Spanish! The books are especially designed to help with preparation for the DELE Superior exam.
