Miguel Valbuena, better known by his nickname Redhand, is one of the great pirates of the Caribbean. Of noble heart, he follows the strict codes of piracy and dreams of founding a colony called FREEDOM LAND, where women as well as men can live in equality and freedom. Nevertheless, he does have a few enemies, such as Blue Glove, a cruel and envious corsair in the service of the Queen of England, and Violeta Gonçalves, a woman pirate whose crew is made up entirely of women, and who is an old flame of Manorroja's. What is more, Violeta and Guante Azul have decided to combine forces with the intention of robbing the treasure Manorroja has supposedly hidden somewhere. But does it really exist? Will they managed to find it?
