"Finding a new way of looking at this iconic figure was an ambitious project which has been beautifully accomplished by Hernández and Torres in La Huella de Lorca." (Lise Jones)

THE LIFE OF THE GRANADA POET THROUGH THE EYES OF THE PEOPLE WHO SURROUNDED HIM

Through true stories and testimonials about the great Granada poet, this graphic novel shows how Federico García Lorca left an indelible impression on everyone who knew him, whether in Granada, Madrid, Havana or New York, including the illustrator's own father. Carlos Hernández and El Torres reconstruct the figure of García Lorca through the eyes of those who shared his life... and his death.
