SPRING

2011

Season: SPRING 2011

This impassioned and passion-inspiring biography of Federico García Lorca sets out to bring to light aspects of the poet's life that have been ignored or distorted for more than seventy years, finally giving the poet's homosexuality the place it deserves for a proper understanding of his literary work.

Lista de bestsellers de "La Vanguardia"

Press reviews:

"The finest biography of García Lorca, the one that is broadest in scope and most thorough in its analysis, the boldest, most incisive and staunchly supportive of the poet, the most human." - La Vanguardia, 8/4/2009
