2011

Season: AUTUMN 2011

A detective story in the form of a pop-up! The case is going to be difficult: Maria, a four year old girl, has lost her box of treasures. Expert detective Conejo Guatson will help her to recover it by searching through all the rooms in the house with perseverance and a good measure of patience. At the end of the book there is a box for readers to assemble.
