The chef Bermúdez wants to cook the most original dishes in the world. The ingredients? The most terrifying monsters. His kitchen assistants? His unpleasant rat Estiércol, a swotty boy and a girl gymnast. Do you dare to eat in the Monsters Kitchen? These books come with playing cards, quizzes, jokes, recipes... and much more.

Thanks to a stew that was past its best, the disagreeable chef Bermúdez turns into a zombie. Furthermore, he raises all the dead from the cemetery close to the school where he cooks. With the help of Pablo, the only child who speaks to him, Bermúdez, now a zombie, will have to prevent chaos erupting between humans and the living dead.
