Pages: 128

ISBN: 978-84-935175-7-1

Genre: Literature

AUTUMN

2009

Season: AUTUMN 2009

Set in a fantasy world parallel to ours, the novel allows young readers to identify themselves with the protagonist, who plunges faster than he would have liked in a magical universe that will require him to meet and work with many different characters he will end up feeling fond of. An ideal story for teenagers to learn the values of comradeship and unity in diversity.
