ISBN: 978-84-234-2850-2

Genre: Social Science and religion

SPRING

2012

Season: SPRING 2012

In this pleasant and provocative work the authors reject creeping state interference, power's coercion and intimidation, as well as its ongoing efforts to reduce citizens' rights and the claims that it knows what's best for its subjects. The arrogance of the authorities, the condescension of the powerful, this mania to control, frighten, watch, fine, collect taxes... This, the authors conclude, is the sin.
