Rebecca is about to turn 18 when she receives a visit from a well-known archeologist, Emmett Goldwin, who is seeking the tomb of Alexander the Great. This tomb is a legend among archeologists as it contains the most valuable treasure trove. After proving with a DNA test that Rebecca is descended from the great conqueror, the archeologist asks her to come to Egypt together with him and a celebrated clairvoyant, to find the mythical lost tomb. In the land of the pyramids, an attractive guide leads them through the desert sands in a long journey filled with endless dangers. The presence of another archeologist who is prepared to steal their secret is what brings them all to the crucial moment of the plot. And so Rebeca experiences a mind-blowing story in which nothing is what it seems. Between love, her destiny and the visions from the past, the present confronts her with the unknown.
