Read report: [Rey Huevo](#) [3]

It's amazing enough to come out of an egg, but it's not the only incredible thing that can happen to you if you're curious and like making friends. King Egg is about to meet the raucus Pipiyamas, René the chicken, the independent Catalina and the friendly Yeti, the eccentric Juiyajumos, the aggressive Bobos, the luminous Lotia and a family with trunks who eat tulip bulbs... but King Egg doesn't want anyone to eat his bulbs!
