"Your journey has led you to the deepest part of the forest.

Welcome to my kingdom, wanderer.

I am pleased you've come because you, like us, are a creature of nature, these are your brothers, and this is your home, your inheritance.

Do not burn down trees, do not put animals in cages, do not dirty the river and do not pollute the air.

The only trace of your passage will be the sound of your voice on the wind, your reflection on the water, your footprints on the grass.

Take care of my home, because it is also yours, son of the earth."

Ilunabar invites us to journey among delicate, romantic illustrations, following fantastical as well as natural themes with an exquisite visual poetry.
